

**Sonnet #1**  
**by Zoe Rola**

1 A dark sea in which I drift  
2 Aimless; fog is of abundance  
3 Wind hard, fast, and swift  
4 The dark sea taunts me, almost redundant  
5 And through the fog that makes me blind  
6 Through the clouds heavy and gray  
7 A scintillating light so kind  
8 Aiding me in my search that was once astray  
9 The sky moves to part  
10 For a moment the world is in my favor  
11 Though soon to the perilous sea I must depart  
12 But my courage shall not waver  
13 Lose hope I shall not  
14 For again the light will shine another day
